**UNITED STATES COURT OF APPEALS FOR VETERANS CLAIMS**

NO. 15-2049

RUSSELL R. CARTER,

APPELLANT,

V.

ROBERT A. McDONALD,  
SECRETARY OF VETERANS AFFAIRS,

APPELLEE.

Before PIETSCH, *Judge*.

**ORDER**

*Note: Pursuant to U.S. Vet. App. R. 30(a),  
this action may not be cited as precedent.*

On May 26, 2015, Russell R. Carter appealed through counsel a March 30, 2015, Board of Veterans' Appeals (Board) decision that found that the reduction of his disability rating for residuals of prostate cancer from 100% to 0% was proper. The outcome in this matter may be materially affected by this Court's decision in *McCarroll v. McDonald*, No. 14-2345. In the interest of judicial economy, the Court will stay further proceedings in the instant case pending the issuance of an opinion in *McCarroll* or further order of the Court. It is hereby

ORDERED, sua sponte, that this matter is stayed pending the disposition of *McCarroll* or further order of the Court.

DATED: May 18, 2016

BY THE COURT.
